Commander's Message

By Alex Kolander, 414-322-8702

Summer is sneaking away from us and here at Legion post 449 we are already scheduling music until the end of the year, and scheduling our annual Octoberfest, Christmas Extravaganza and New Years Eve celebration.

Our Friday fish fry continues to grow, having increased attendance every week.

Remember that our kitchen is open during our operating hours.

Plan on attending the Packer games with the noon and three o'clock games at your Legion post 449 with the kitchen open for all games.

It is with a heavy heart that I must announce the passing of Richard Strehlow, our service officer for many years. He was the backbone of the Executive Board and ran the honor guard with great enthusiasm. We salute Richard. Also, Mike Bell passed away. He was our past Finance officer for several years and came from the Cudworth post. We salute Mike.

Our new service officer is Steve Fraenzl (also our Public relations Officer and editor).

We have moved some officers around with Bill Roach going back to Our Sgt at Arms, David Vajgrt taking over the Adjutant position, and welcoming David Mealey as our 3rd Vice Commander, and Randal Anderson as our Children and Youth person.

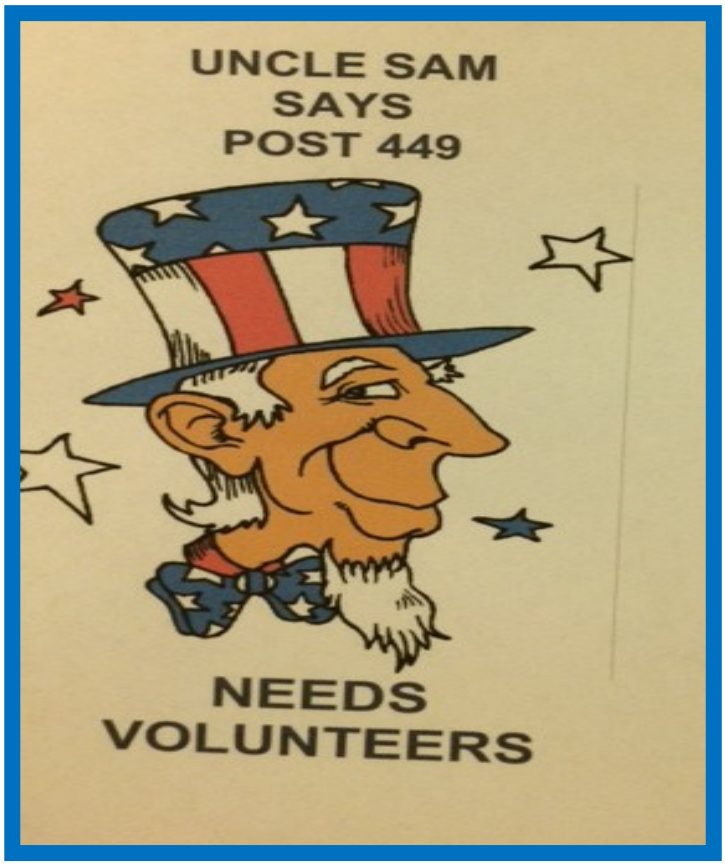
If you have the time to do so, please attend our monthly meetings on the second Tuesday of the month at 1300. NOTE: For August it will be the 3rd

Tuesday of the month.

If you know anyone that is not, now, getting the newsletter because we only send it out via E-Mail please ask them to get a E-Mail or come to the post for a copy or have someone who has an E-mail provide a copy for them.

AND GOD SAID:
Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. (Philippians 4:6-7)

Not many of you should become teachers, my brothers, for you know that we who teach will be judged with greater strictness. (James 3:1)



Volunteers Needed! Post 449 is currently planning two events in the month of October: Rocktober Fest on October 10th and 11th, and on the 28th we will be hosting a free luncheon for First Responder Appreciation Day. We are looking for motivated volunteers to assist with planning, coordination, and on-site work during the events. If you are interested, please email 2nd Vice Dave Landrith at xtremedave89@gmail.com or 2nd Vice Assistant Lisa Nelson at lisa.s.nelson2020@gmail.com.

2nd Vice Commander…

Post 449 News: Fall Is Right Around the Corner!

Fellow Legionnaires,
Post 449 is moving forward, and fall is bringing two great opportunities for our community — and we need your help to make them happen!

First Responders Day — Saturday, October 28th
We're proud to host our local first responders for a free meal at the Legion, served from 11:00 AM to 4:00 PM. This is our chance to show our appreciation for the men and women who serve and protect our community every day.
We need volunteers to help make this event a success — whether it's greeting our guests, serving food, or lending a hand behind the scenes, every bit helps.

Oktoberfest — Saturday, October 10th & Sunday, October 11th
Get ready to celebrate! Oktoberfest is back, and we're looking for:

- Volunteers to help work the event
- Donations to support the festivities

Best of all, 50% of all Oktoberfest proceeds go directly to the Post's Children in Need Fund — so every dollar raised and every hour volunteered helps make a real difference for kids in our community.
This is one of our post's favorite traditions, and it takes a team effort to pull it off.

How to Help
If you can volunteer for either event or would like to contribute a donation for Oktoberfest, please contact:

Dave Landrith
414-232-4942

Board Meetings — All Members Welcome
A friendly reminder that our board meetings normally happen on the 2nd Tuesday of each month, and all members are welcome to attend. We would love to see you there!
Thank you all for your continued support of Post 449. Let's make this fall season one to remember!

For God and Country,
Dave Landrith
2nd Vice Commander

VA NEWS & INFORMATION:

The VA is making millions of Veterans eligible for VA health care under the PACT Act. Here's what YOU need to know:

- If you served in Vietnam, the Gulf War, Iraq, or Afghanistan, you can enroll.
- If you deployed to any combat zone after 9/11, you can enroll.
- If you deployed in support of the Global War on Terror, you can enroll.

And even if you never deployed but were exposed to toxins or hazards while training or serving on active duty here at home—by working with chemicals, pesticides, lead, asbestos, certain paints, nuclear weapons, x-rays, and more—you can enroll, too.

- Apply online: VA.gov/health-care/apply/application/introduction
- Apply over the phone: Call VA toll-free at 1-800-MyVA411 (1-800-698-2411), Option 2.
- Apply in-person: Visit your nearest VA medical center (https://www.VA.gov/find-locations).

Bottom line: all Veterans who meet the minimum service requirements and were exposed to toxins and other hazards—at home or abroad—are eligible to enroll in VA care.

VA provides the best and most affordable health care for Veterans in America – and this is your chance to apply. Veterans who are enrolled in VA health care are proven to have better health outcomes than those who get their care elsewhere. And copays can be as low as $0 for prescriptions, urgent care, outpatient care, and more.

Choosing VA means getting everything you need in one spot. Come see why 90% of patients said they trust VA for their health care. Even if you don't need this care today, you may need it tomorrow, or the next day, or 30 years from now. And once you're in, you have access for life.

VA Infrastructure improvements are coming:

The Department of Veterans Affairs approved $1.2 billion in VA infrastructure improvements in Q3 FY 2026, part of a record $4.8 billion in non-recurring maintenance funds planned for this year.

VA's FY 2026 $4.8 billion non-recurring maintenance budget is the largest in department history.

VA medical facilities will use the funds for major maintenance, replacements and upgrades to improve operations and health care delivery.

Of the $4.8 billion committed for FY 2026, VA has obligated $2.3 billion through Q3, including:

$915M to repair and upgrade outdated medical facility infra-

structure systems.

$229M to modernize facility infrastructure for future electronic health record updates.

$11M for major building upgrades, including elevators, electrical systems and boiler plants.

USDA resources can help Veterans build a future in agriculture:

Many Veterans are turning to farming and ranching as their next mission, bringing the discipline, resilience and purpose they gained through military service to America's agricultural communities.

Veterans interested in agriculture can start at farmers.gov, where USDA's Beginning Farmers and Ranchers page explains available programs and connects them with national and state Veterans coordinators. Local USDA Service Centers can help Veterans find the right point of contact.

USDA offers resources to help Veterans start or expand farming operations, including farm loans of up to $600,000, low-interest financing, land purchase support, crop insurance and income-stabilizing programs.

These programs can support a wide range of agricultural goals, from small operations to larger farm businesses. In one example, a disabled Veteran used USDA training and a microloan to expand a family apiary and begin selling honey locally.

Veterans can also contact their local Farm Service Agency office for free guidance, and USDA extension partners at land-grant universities can provide research-based support for everyday farm challenges.

USDA partners such as AgrAbility and the Farmer Veteran Coalition also help Veterans overcome barriers, build agricultural careers and connect with others in the farming community.

To learn more, visit farmers.gov, contact your state Veterans coordinator or connect with your local FSA office.

Know the difference between VA disability compensation and VA pension :

VA pension and disability compensation are separate benefits with different eligibility rules and payment criteria.

VA pension is a needs-based benefit for wartime Veterans. Eligibility depends on net worth, annual income, age or disability, and payment amounts are based on income.

Disability compensation is for Veterans with service-connected disabilities from wartime, peacetime or both. Eligibility is based on the type and severity of the disability, not income or net worth, and payments are based on the disability rating.

Note: Veterans cannot receive VA pension and disability compensation at the same time. If eligible for both, VA pays the greater benefit amount.

Fraud alert: Beware the "Veterans Savings Program" postcard scam

A new scam is targeting Veterans through postcards claiming they or their spouses are entitled to "extra VA benefits" or additional payments, including CHAMPVA, TRICARE and dental coverage. These postcards are not from VA.

Scammers may create urgency, ask you to call an unverified number, or use praise for your military service to gain trust. Their goal is to get personal information such as your Social Security number, bank account details or other sensitive information.

Never share personal or financial information with unverified contacts.

Protect yourself by refusing to engage, avoiding unverified phone numbers and hanging up immediately if you receive an unsolicited call.

Common scam tactics include:

- Unsolicited postcards, emails, texts or social media messages claiming you qualify for extra benefits.
- Callers or senders pretending to be VA officials.
- Links or attachments are designed to steal personal information.
- Requests for payment by gift card, wire transfer, bitcoin or prepaid debit card.
- Social media messages or friend requests from people you do not know.

How to protect yourself:

- Do not respond to urgent requests from unknown contacts.
- Do not call numbers listed on suspicious postcards, emails or texts.
- Do not click suspicious links or open unexpected attachments.
- Verify directly with VA at 1-800-827-1000 if you are unsure.

If something seems wrong: If you miss a VA benefits payment, notice a discrepancy or suspect suspicious activity with your direct deposit, contact VA right away at 1-800-827-1000. To report suspected fraud, visit VSAFE.gov or call 1-833-38V-SAFE.

Since our new term is beginning, it is time for a fresh look at our Constitution, Bylaws, and Standing Rules. Many of you may think this is not something you are interested in, but here are a few thoughts to convince you to take an interest in them.

Purpose of By-laws and Standing Rules
Bylaws

- Bylaws are the official rules that govern how an organization operates.
- They define the organization's structure, officers, membership requirements, meetings, elections, committees, and voting procedures.
- They provide a legal and organizational framework for decision-making.

By-laws are difficult to change and usually require advance notice and a formal vote.

Standing Rules

- Standing rules are administrative guidelines that deal with the day-to-day operations of an organization.
- They cover routine matters such as meeting times, dues payment procedures, committee responsibilities, and event arrangements.

Standing rules are easier to adopt, amend, or suspend than by-laws.

Importance of By-laws and Standing Rules

- They ensure the organization operates in an organized, fair, and consistent manner.
- They clarify the rights and responsibilities of members and officers.
- They help prevent misunderstandings and resolve conflicts.
- They promote accountability and transparency in decision-making.
- They ensure meetings and organizational activities follow established procedures.
- They provide continuity, even when leadership changes.

They support the organization's goals by maintaining order and efficiency.
If we all know our purpose within the organization and share a common goal of what we want to accomplish, we can align our actions, support one another, and achieve greater success together.
By working together while staying in our own lanes and focusing on our assigned responsibilities, we will be successful.

We are planning an **Executive Meeting on Wednesday 8/5/26 at 6:00 pm** at the Legion post. At this time, we will bring a proposed update to the current Constitution, Bylaws and Standing Rules for review by the Executive Committee.

At our **8/18/26 (Tuesday) Auxiliary Meeting**, the entire Auxiliary will review and approve the updates to the Constitution, Bylaws and Standing Rules. This will ensure we have a plan of action, and we are ready to move forward in the upcoming term.

We have another month to plan for our programs for the American Legion Auxiliary at Post 449. Hopefully, we have been refreshed with some good summer weather and some get-aways. Ladies, and some gentlemen, try to make it to our auxiliary meetings to stay informed and see how you can be of help to get our programs off the ground running! We all have special skills to be of use for the Unit, Veterans, their families and our community. Every member is important!

Now for the business at hand. We have our Children's School Supplies that we collect this time of year. As you are out shopping, notice the school supplies that are on sale right now. Bring the school supplies in and deposit them in a big box labeled for school supplies. We have a local school who is more than eager to take them for the less fortunate students at their school.

Look over our calendar of events. The Post offers lots to do to relax and mingle with friends. Support your local Post.

Stay safe and see you soon.
