Commander's Message

By Alex Kolander, 414-322-8702

GREETINGS FELLOW LEGIONNAIRES

I WISH ALL OUR MEMBERS AND THEIR FAMILIES A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR. MAY THE NEW YEAR BRING PROSPERITY AND HEALTH TO ALL.

We have survived another year where so many legions have gone by the wayside. It is only with the support of every one of you and the sound leadership that we continue to thrive. Please continue your membership and your participation in our annual giving fund efforts and attendance at our wonderful memorial hall.

Please remember that anyone who has served in the Armed Forces and has an Honorable Discharge is eligible to join The American Legion. I would ask you to talk it up with friends, neighbors and anyone who you come in contact with that they can support our great effort by just joining for a mere $50.00 a year. The numbers game is a very strong message for our Congress and Senate to continue the great support of all Veterans bills that we help pass every year. THEY HEAR US LOUD AND CLEAR!! You did your part by serving your country with the sacrifice you made, now lets continue to shout out our message. More people, more power!!!

Please attend our annual Christmas extravaganza on December 6th. Bring you children, Grandchildren, dogs to meet and great Santa and take home a free picture of this memorable event. We are again, conducting a half cow raffle. Tickets are $100 each, and only 40 will be sold. You would be getting around $2,000.00 worth of meat. See the flyer in this newsletter for event details.

Come one and come all, to our annual New Years Eve party, with music by Our House. Snacks are available with Champagne at midnight. A great fundraiser for post 449. Stay tuned in the next few months, we will be raffling off several Buriel plots we have had for years. As soon as I

can, I will announce in an upcoming newsletter how we will conduct this raffle.

AND GOD SAID:

Behold, the Lamb of God, who takes away the sin of the world!" (John 1:29)

"So when you give to the needy, do not announce it with trumpets, as hypocrites do in the synagogues and on the streets, to be honored by others. Truly I tell you, they have received their reward in full." (Matthew 6:2)

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23)

1st Vice Commander Message

By Roger Kiesner 414-350-0402

Greetings fellow Legionaries, Sons of the AML, and Women's Auxiliary. The end of the year is fast closing on us and membership renewal is lagging at about 65% as of the last report from state AML. I hope everyone would please renew your membership ASAP for 2026. Just a friendly reminder that 2026 dues are $50.00 per year. In another bit of news we have a new member who transferred into our Post and lives outside of our 48 States. His name is Robert Maze and lives in the US Virgin Islands in a town called Christiansted. He is our first Post Member to reside outside of our 48 States. May we all welcome him into our post and hopes he may come and visit us. May The Lord keep you and your families all safe and bless you. May I also reiterate the need for members to step up and volunteer for a role on the executive board. And fill vacant positions to keep the Post going,

Adjutant's Message…

By Bill Roche 414-477-9378

This is just a quick reminder about membership cards.

In June I received membership cards for all of you. Only about half of you have paid your dues and received your 2026 cards. Your 2025 card expires on December 31. I try to send out your cards within a few days of seeing your name on the list I get showing who has paid. The sooner you send in your dues the sooner you get your card.

If you sign up online it takes about two weeks for your name to appear on the list from national HQ. Sending to the post, a list is generated every Tuesday. I get the list on Wednesday and start processing your cards. It is your call, when do you want your card?

VA NEWS & INFORMATION:

Active duty servicemembers and veterans can contract Shigella, the bacterium that causes shigellosis, a contagious intestinal infection. It happens primarily through exposure to contaminated food, water, or surfaces. The infection spreads via the fecal–oral route, meaning it occurs when tiny amounts of fecal matter containing the bacteria are ingested. In military settings, this can happen when food is prepared or handled by someone who has not properly washed their hands, when water supplies become contaminated with human waste, or when sanitation facilities are limited or poorly maintained. Deployed servicemembers are at particular risk, especially in regions where hygiene standards and water treatment are inadequate. Close living quarters such as the barracks, field exercises, and outdoor shared facilities can further facilitate the spread among troops. Veterans may also be exposed under similar conditions, such as during overseas travel or through secondary contact with contaminated food or water. In all cases, the combination of close contact, variable sanitation, and environmental exposure makes Shigella an ongoing concern for both active duty personnel and veterans.

VA Dependency and Indemnity Compensation (DIC) is a tax-free monthly benefit paid by the U.S. Department of Veterans Affairs (VA) to eligible surviving family members of a service member or veteran who died in the line of duty or from a service-connected injury or illness. The benefit provides ongoing financial support to surviving spouses, children, or, in some cases, parents. To qualify, the veteran's death must be related to military service, or the veteran must have been rated totally disabled due to service-connected conditions for a specified period prior to death. The amount of DIC varies based on the survivor's relationship to the veteran, number of dependents, and certain additional allowances.

How Survivors Qualify for DIC

- Service Connection: The veteran's death must be caused or linked to a service-connected disability, or a presumptive condition tied to service.
- Active Duty Deaths: Survivors may qualify if the veteran died while on active duty, active duty for training, or inactive duty training, provided the discharge was not for misconduct.
- Disability Ratings: Even if the death was not service-related, DIC can apply if the veteran had a 100% disability rating for:
  - -At least 10 years before death.
  - -At least 5 years after leaving service.
  - -At least 1 year for former POWs.

Did you know veterans and their families are at a higher risk for mental health strain? Also, of the 11% - 20% of veterans who have been diagnosed with PTSD, just a mere 9% have recovered, according to a survey by digital therapeutic service Freespira. And, it's not from a lack of trying.

Veterans are particularly prone to plantar fasciitis because military service often involves activities that place heavy, repetitive stress on the feet. Long marches, running in heavy boots, carrying substantial loads, and extended periods of standing all increase strain on the plantar fascia. Over time, this repeated impact can cause micro-tears and inflammation. Additionally, service members frequently train or operate on hard surfaces, which further increases mechanical stress. Many veterans also experience overuse injuries, altered gait from previous lower-extremity injuries, or long-term joint issues that shift weight distribution and add extra tension to the plantar fascia. Combined, these factors make plantar fasciitis a common chronic issue among those with military backgrounds.

Did you know chronic obstructive pulmonary disease (COPD) has a disproportionate impact on veterans compared to the general population? Veterans are more likely to develop COPD, in part because of higher rates of tobacco use and greater exposure during their service to lung irritants such as burn pits, dust, and environmental pollutants. According to VA and Department of Defense guidelines, COPD may affect around 25% of some veteran populations, and among VA health-care users, roughly 15% are estimated to have COPD.

Remember……. That all gave some, but many gave all

Post 449 Chaplain Message

Happy Holidays to everyone!

Hope you enjoy this wonderful season of family, faith, generosity and joy. We are blessed to live in a country where we can enjoy all the great things God has given us. However, not everyone can enjoy the season due to grief, illness, financial problems, etc. We should think of them and help in ways we can. They need us and Jesus wants us to care for others as he cares for us. God has blessed us all by sending his only son to bring us salvation. Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanual, which means “God with us.". Matthew 1:23. He will also be called Wonderful, Counselor, Mighty God, Everlasting father, Prince of Peace. Isaiah 9:6. He is the greatest gift God has ever given us.

God grant you the light in Christmas which is faith, the warmth of Christmas, which is love, the belief in Christmas, which is truth, the all of Christmas, which is Christ.

Unit 449 Auxiliary Membership Report

Kitty Larkin, Carol Lers

I hope everyone had a glorious Thanksgiving with an emphasis on the last syllable. Hopefully you were able to give something to the veterans for Thanksgiving. We are not all in the same financial category, but everyone should do what they can.

A couple of years ago we were at our highest level of membership with over 400 members. We ended 2024 with 167 members, 2025 with 125 members and three months into the 2026 year, we have 85 members. If everyone reading this renews their membership, we can get our membership numbers back up again.

We are working hand in hand with the Sons of the American Legion on their Chili Cook-off fundraiser. This is being held on December 7th, the day after Chris Novak's annual free Santa Saturday Extravaganza on December 6th. The ALA will be doing a wine pull and basket raffle. Contact Colleen Gotowitz and Carole Jensen if you have a raffle basket to donate. Contact Lylette Smith (with the help of Sam Catura) if you have wine you would be willing to donate. The "Sons" will be doing a 50/50 raffle. We will be grateful for any donations of bottles of wine, raffle baskets, or you may be interested in providing a crock pot full of chili for the chili cook-off. Contact a SAL member with Chili donations. Your chili may be the winner in the cook-off!

We are looking forward to seeing all of you participating in any of the above events.

The ALA will have their annual Christmas Party at the Waters on December 16th. Everyone is to bring a dish to pass. If you want to participate in a gift exchange, bring a gift up to $10 to exchange.

Happy Holidays to all!

Please attend the Santa Extravaganza on December 6th at Post 449. Have your picture and your pet's picture taken with Santa for free. Fun day with Santa! Come and support your Post!

Please consider becoming an influencer by prioritizing others and promoting kindness. Remember, small acts of kindness can have a big impact on those around us. Let's continue to support each other and spread positivity wherever we go.

'Thinking of you' cards are sent to several members to let them know how valued and missed they are within our ALA. Birthday cards are sent out to our December birthday

members. Get Well cards were sent to Vivian Schmidt, Clair Decker, and Joanne Peterson, wishing them a speedy recovery and sending positive thoughts their way.

As we navigate through our days, let's remember to seek strength, protection, and guidance from above. May the Lord's love accompany us always.

Looking forward to seeing more of our wonderful members at the Post soon! Your presence brightens our gatherings and enriches our community.

Merry Christmas! God's Blessings!
